

The Twelve Steps of Narcotics Anonymous, as adapted from A.A., are the basis of our recovery program. We have only broadened their perspective. We follow the same path with a single exception; our identification as addicts is all-inclusive with respect to any mood-changing, mind-altering substance. Alcoholism is too limited a term for us; our problem is not a specific substance, it is a disease called addiction. We believe that as a fellowship, we have been guided by a Greater Consciousness, and are grateful for the direction that has enabled us to build upon a proven program of recovery

Narcotics Anonymous is a fellowship of recovering addicts who are living their lives without the use of drugs. We meet regularly to help each other stay clean. It costs nothing to become a member of N.A. The only requirement for membership is a desire to stop using.
